

PLANNING & PREP
PLANNER SPOTLIGHT

The Inspiration

We were inspired by the couple's travels, and thought it would be a really fun direction their wedding could take by featuring those travel elements. We brought in the travel theme from beginning to end. With travel-themed details taking each guest to a special table destination to enjoy, they celebrated this timeless wedding. We also added some signature Some Like It Classic glam with flowers that wowed and embellished cake ornaments.

Some Like It Classic
Wedding &
Event Design

Amina Michele created *Some Like It Classic Wedding & Event Design* specifically to specialize in creating one-of-a-kind classic and timeless wedding day fairytales. Her streamlined approach allows her and her team of designers to focus on all of the event details and personalization, creating an event that will leave lasting impressions.
